What our Parents are Saying

"Christopher loved coming to camp every day because he had nurturing and supportive teachers and staff. Every summer it is like coming home for Christopher and our family." - *Melissa, mom to Christopher, age 8, fourth year at camp*

"Wish camp was all summer and had some weekends throughout the year!"
- *Emily, mom to Mitchell, age 20*

Quotables from the Staff

"I am so excited to use the method of staggering JTP tasks in my classroom! This summer Angie had the campers grouped together by task/location and they spent 15-30 minutes at each station and then swapped. I plan to use that in my classroom."

- Jennifer Burgemeister, first year instructor, ESE teacher at Gulf Breeze High School
