

Kids for Camp 2021

Instructional Staff Application

Kids for Camp is a nationally acclaimed summer learning lab designed to provide training in best practices, using Applied Behavior Analysis and Verbal Behavior, for teaching children with autism. If you seek a summer training opportunity to increase your success teaching those with autism spectrum disorders, this opportunity is for you! Autism Pensacola is accepting applications from people of all experience levels to work as instructors. Kids for Camp is located at Capstone Academy, Holm Elementary, and Washington High in Pensacola.

This summer training experience features:

- Training in instructional techniques based on Applied Behavior Analysis and Verbal Behavior
- Training in the assessment of individual student's strengths and areas of need and assistance in identifying successful teaching methods to achieve targeted goals and objectives
- Hands-on instruction and direct support
- In-classroom mentors/coaches to confer and problem-solve with on a daily basis
- Limited opportunities for staff children to participate in camp

Important Dates:

- Staff training – June 14, 15, 18
- Camp dates - June 16 – July 15. No camp on Fridays.
- Staff Hours are 8:00 am to 2:30 pm

Kids for Camp 2021 - Position Description

Philosophy of Kids for Camp – Autism Pensacola’s Kids for Camp program is dedicated to the use of best-practice techniques, specifically Applied Behavior Analysis, to contribute to both the skill acquisition of the individuals with autism and the continuing education of the teachers, support staff, and college students who work with those with autism. It is API’s intention to continuously improve the camp experience, thus remaining a model of quality and integrity to the community.

Position: Instructor

Goal: Using techniques learned in training, implement teaching strategies to achieve targeted objectives for your assigned students, as well as keeping accurate data on progress.

Job Responsibilities:

- Support lead teacher in the designing of classroom activities
- Model open communication across the entire team - staff, parents, and volunteers
- Obtain accurate data on targets for each camper under your supervision
- Participate fully in all classroom activities and field trips
- Communicate with lead teacher about camper progress
- Perform other jobs and duties on request as needed

Job Requirements:

- Team player
- Ability to support teacher in creating instructional materials
- Ability to accept constructive, objective feedback
- Ability to interact in a classroom with highly-active children, teens, and young adults
- The job requires 50% standing, 40% walking, 10% sitting
- Be able to actively participate in strenuous outdoor activities
- Other physical demands – Be able to lift 25 pounds; some carrying, pushing, and/or pulling.

Applying for Kids for Camp as an instructor is a two-step process

- 1. Complete and submit Staff Application**
- 2. View ABCs of ABA instructional video and complete test – Find the video on our web site, <http://autismpensacola.org/our-programs/kids-for-camp>**

Answer the following questions completely, and to the best of your ability. Most positions do not require knowledge and experience in every area. Our goal at Kids for Camp is to ensure every staff members grows in his or her expertise. At Autism Pensacola, we believe the most important characteristics needed to be an effective instructor are attitude, willingness to learn, and ENERGY.

1. What is your motivation for applying to this summer learning lab?
2. What important traits do you believe an educator should have?
3. Describe any formal training or experience you have with autism spectrum disorders.
4. With what age/ability level of children do you have the most experience?
5. Are you available the entire camp (plus all training)?
6. At Kids for Camp, our parents are integral to the planning and success of camp. They are collaborators in their child's summer program. What do you feel is the most effective way to communicate with a child's parents? Describe how you have used this/these technique(s).
