How: Kids for Camp is made possible through community partnerships, along with the support of generous people and businesses in the greater Pensacola area.

Major Partners of Kids for Camp: the Autism Center of The Studer Family Children’s Hospital at Sacred Heart, Escambia County School District, and Capstone Adaptive Learning and Therapy Centers

Other community supporters: FSU-Center for Autism and Related Disabilities, Santa Rosa County School District

Cost: To provide a high-quality, individualized, summer learning opportunity for our campers, the ACTUAL cost of camp is **\$3,100** per camper. Through generous community donations, we are able to offer an additional discount for all Escambia and Santa Rosa County residents, resulting in a tuition rate of **\$2,300** per camper. (Rates will vary based on sessions chosen).

Local camp participants are invited to apply for additional financial aid on a **generous sliding fee scale** based on adjusted gross income and family size. Families are also encouraged to participate in our Friends and Family Campaign for individual fundraising. A limited number of participants from outside our two-county area may be accepted into camp, but the full cost of camp plus a surcharge will apply.

Application Process Guidelines: Camper applications go through a multi-step process to determine whether our program can safely meet a child’s needs. This process also helps us determine child’s level of support needed to be successful.

The application process steps:

1. Completed camper application received
2. Pre-camp mini skills assessment (required for all new applicants)
3. Follow up meeting with camp leadership staff

Following the assessment, if camp leadership staff determines our full-day program does not meet a child’s needs, API program director will set up a meeting with the family to discuss options.

By voluntarily submitting a camp application, parents are giving permission for the application to be reviewed by camp leadership staff to determine both acceptance and level of support needed. Pre-camp assessments are overseen by staff under the supervision of the Autism Center at Studer Family Children’s Hospital Sacred Heart. Parents are responsible for making sure the child attends the appointment. Parents will be interviewed and teachers/therapists may be contacted for additional information, if necessary.

Volunteer Requirements:

As a condition for acceptance into camp, all parents/guardians understand that there is a 10-hour minimum volunteer requirement to Autism Pensacola. Active participation in API events throughout the year, including volunteering, is a major factor considered during the Kids for Camp admissions process. Camp volunteers enable us to provide an outstanding program for all of our campers while keeping costs as affordable as possible for families.

Parents filling volunteer positions with API that require exceptional amounts of time and commitment are rewarded with guaranteed acceptance into Kids for Camp for their camper, and in some cases, financial aid. Volunteers wishing to fill one of these leadership positions must apply with API staff and detail their qualifications for the job. More information, including volunteer job descriptions, is available on request.

Remember, volunteerism is required of all camp families. If parents are unable to volunteer, we welcome adult relatives and friends to volunteer on the camper's behalf. If it is impossible for a family to fulfill the minimum requirement, a fee of \$150 will be accepted. Penalties may be assessed for failure to fulfill the volunteer requirement and will reflect negatively during application period the following year.

Your response here indicates you understand and agree to the volunteer requirement of 10 hours per family.
