Name: _____

Autism Pensacola, Inc.
Kids for Camp 2025
Washington Campus-CLS Program Application

Kids for Camp Mission and Purpose: Autism Pensacola's Kids for Camp is a data-driven program using best-practice techniques, *specifically Applied Behavior Analysis*, to contribute to both the skill acquisition of the individuals with autism and the continuing education of the teachers, support staff, and college students who work with those with autism. API is committed to continuously improve the camp experience, thus remaining a model of quality and integrity to the community.

Who: Teens and young adults with ASD (completed 6th grade through age 25) and their friends. Individuals from across the full spectrum of ASD are served by Kids for Camp.

When: Dates for Full Camp are June 17 through July 22, 2025.

Camp hours: 9:00 a.m. to 2:30 p.m. No camp on Fridays. No Camp on July 3.

Extended Care is available for an additional fee of \$80 weekly. Hours are 8:00 a.m. to 4:00 p.m.

Where: **Washington High School**, 6000 College Pkwy., Pensacola, FL 32504

How: Kids for Camp is made possible through community partnerships, along with the support of generous people and businesses in the greater Pensacola area.

Major Partners of Kids for Camp: The Autism Center of The Studer Family Children's Hospital at Sacred Heart, Escambia County School District, and the Center for Applied Behavior Analysis at The University of West Florida.

Cost: To provide a high-quality, individualized, summer learning opportunity for our campers, the ACTUAL cost of camp is **\$3,675** per camper. Through generous community donations, we are able to offer an additional discount for all Escambia and Santa Rosa County residents in Florida and Baldwin County, Alabama residents, resulting in a tuition rate of **\$2,500** per camper. (Rates will vary based on sessions chosen).

Local camp participants are invited to apply for additional financial aid on a **generous sliding fee scale** based on adjusted gross income and family size. Families are also encouraged to participate in our Friends and Family Campaign for individual fundraising.

Returning camp families who are committed to sending their child to Kids for Camp can begin making advance payments at the time of application submission with all required documentation.

****Please note that there is a limited number of camper spots on each campus and that all applications are reviewed in the order that they have been received. First consideration will be given to applicants by timestamp of Autism Pensacola receiving the application.**

Application Process Guidelines: Camper applications go through a multi-step process to determine whether our program can safely meet a child’s needs. This process also helps us determine child’s level of support needed to be successful.

The application process steps:

1. Completed camper application received
2. Pre-camp mini skills assessment (required for all new applicants)
3. Follow up meeting with camp leadership staff

Following the assessment, if camp leadership staff determines our full-day program does not meet a child’s needs, API program director will set up a meeting with the family to discuss options.

By voluntarily submitting a camp application, parents are giving permission for the application to be reviewed by camp leadership staff to determine both acceptance and level of support needed. Pre-camp assessments are overseen by staff under the supervision of the Autism Center at Studer Family Children’s Hospital Sacred Heart. Parents are responsible for making sure the child attends the appointment. Parents will be interviewed, and teachers/therapists may be contacted for additional information, if necessary.

I understand the camp application process and agree to the assessment criteria:

Application Process:

The Kids for Camp application period runs from **February 5 through March 5, 2025**. Applications received after March 5th will be considered late and must be accompanied by appropriate late fees. Instructions for submitting applications can be found on page 8 of this document.

****All applications must be complete. Applications submitted without all the required paperwork will not be considered for acceptance. ****

You will be notified of your child's acceptance status and possible financial aid on April 15, 2025. At that time, you will receive enrollment paperwork. The required paperwork will be due by April 24th. Camp tuition payments will be due on May 9 and June 9. **Camp tuition must be paid in full prior to the start of camp.**

Volunteer Requirements:

As a condition for acceptance into camp, all parents/guardians understand that there is a 10-hour minimum volunteer requirement to Autism Pensacola. Active participation in API events throughout the year, including volunteering, is a major factor considered during the Kids for Camp admissions process. Camp volunteers enable us to provide an outstanding program for all our campers while keeping costs as affordable as possible for families.

Parents filling volunteer positions with API that require exceptional amounts of time and commitment are rewarded with guaranteed acceptance into Kids for Camp for their camper, and in some cases, financial aid. Volunteers wishing to fill one of these leadership positions must apply with API staff and detail their qualifications for the job. More information, including volunteer job descriptions, is available on request.

Remember, volunteerism is required of all camp families. If parents are unable to volunteer, we welcome adult relatives and friends to volunteer on the camper's behalf. If it is impossible for a family to fulfill the minimum requirement, a fee of \$250 will be accepted. Penalties may be assessed for failure to fulfill the volunteer requirement and will reflect negatively during application period the following year.

Your response here indicates you understand and agree to the volunteer requirement of 10 hours per family.

My family will fulfill the volunteer requirement of 10 hours for Autism Pensacola.

I am unable to serve. Please bill me \$250 in lieu of volunteering.

Financial Aid Consideration:

Families are encouraged to seek outside funding to cover tuition costs.

Opportunities for fundraising are available through Friends & Family. Additional financial aid may be offered through Autism Pensacola, but the amount varies each year based on fundraising results.

If you would like to submit financial aid information, it **MUST** be submitted with an application packet.

I am interested in applying for financial aid.

I will not be applying for further financial aid.
